Ms. Alvaro,
As the Chief of Staff to Dr. Smith, I received a copy of your email. Dr. Smith asked that I meet with you to address your topics "point by point" and discuss ways in which we can assure you and the public that this continues to be a critical and important topic for us. Since his schedule is filled over the next few weeks, I am happy to meet with you in the next week or so and if a follow-up meeting is necessary we can schedule it for a future date. Please contact Ms. Panarella, my administrative services manager to schedule this meeting. I look forward to meeting with you and discussing these topics of concern.

Henry R. Johnson, Jr., Ed.D
Chief of Staff
Montgomery County Public Schools
Office of the Superintendent
