Good Afternoon Dr. Smith,

I'm writing to introduce myself and another MCPS parent, Susan Burkinshaw. We would like to welcome you to our school system. We have followed your introduction and media reports with great interest and hope.

One interview you gave in particular was of great interest to us and that was your interview with Andrea McCarren. In it, you were asked about the abuse of children in MCPS by employees and we were glad to hear your strong stance on making sure this is not allowed to occur.

Mrs. Burkinshaw and I have been the parent members of the MCPS Child abuse and neglect work group since it's inception.

We are requesting a time to meet with you to discuss both the progress MCPS has made and the work left to be done.

We would appreciate meeting you as soon as your schedule allows.

Thank you,

Jennifer Alvaro and Susan Burkinshaw
